"Snuggly for Winter" in July

We hope you have been thinking about your favourite bit of **snuggly quilting**: could be a lap quilt, quilt coat, or a quilted scarf or jolly bag that cheers you up on a cold winter's day. Bring it along to our July Sewday and be willing to share why you love it – for our special **Snuggly Show & Tell**: an old favourite, or something new you've been working on this winter?

Also, we'll have a mini version of our December Lucky Door hamper: this time – specifically – bring along your favourite snack for nibbling while stitching & watching telly in the chilly, darkest months of the year.
